We are looking for energetic students who want to make a positive impact in their schools and greater communities! The New Hampshire Student Leadership Program is an exciting opportunity to connect with other like-minded students and learn how to make a difference. Beginning their work in middle school, participants will keep the momentum for positive change going throughout their high school years. This means it is a long-term commitment that begins with the Student Leadership Summit this August 12-18, 2018. YOU have a wonderful opportunity to be a part of it!

Why do you want to be a part of this program?

What does it mean to 'be a leader' in your school and/or community?

What have you done to be a leader in your school and/or community? What do you *hope to do* in the future?

What do you feel are your personal strengths?

What are SIX things that are important to you?

Identify SIX words/phrases that best describe you.

What else do you want the New Hampshire Student Leadership Program to know about you?

I am committed to being a positive and contributing member of the NHSLP. I will make every effort to bring my best self to the program, the work I do with my teachers at school, with my SLP Mentor, and in my community.

I am committed to supporting my daughter/son in her/his participation with the NHSLP. I understand the Student Leadership Summit dates are Aug 12-18, 2018, and that three workshops will be held at Brewster in Wolfeboro, NH throughout the school year.
