

**Position: Assistant Athletic Trainer, .75 FTE**

**Reports To: Athletic Director**

**Overview: Brewster Academy** Brewster Academy is a private co-educational boarding/day college preparatory school with 360 students in grades 9-PG, located in Wolfeboro NH 2 hours north of Boston, and is an international leader in school reform and educational technology. Brewster's athletics program seeks to develop teamwork, character, sports skills and tactics, and fitness. Sportsmanship and personal growth and development are emphasized throughout the program. While recreational and instructional sports activities are available for all students, our interscholastic athletics see the most student participation. Brewster fields 37 interscholastic teams fall, winter, and spring with a 1 season interscholastic requirement for students. However, students are to be engaged in an afternoon program each season (fall, winter, spring)

Brewster is seeking **Assistant Athletic Trainer** to assist in the delivery of the athletic training services to the school's student-athlete population.

#### **Requirements**

- Bachelor's degree (minimum) in health related field required;
- NATABOC certified and NH license required, or NH License eligible;
- CPR, AED & First Aid Instructor Certified or a willingness to become certified.
- Previous athletic training experience at high school/college level preferred;
- Ability to physically and safely move and/or lift injured athletes;
- Ability to administer appropriate therapy required;
- Ability to meet demands of changing athletic schedule throughout academic year;
- Strong communication skills;
- Ability to handle confidential information appropriately.

**Position is .75 FTE in the in the athletic training room but a full-time employee, other duties consist of supervising the school's fitness center. Position is 10-months, exempt, salaried position with pro-rated benefits.**
